

**STATE'S GOALS AND PRIORITIES****4.12(c)(1)**

The following annual goals and priorities were established through VR's managing for results strategic planning, public input, analysis of triennial assessment results and recommendations from the Rehabilitation Services Council. Some of the goals and priorities are a continuation from previous years. In previous state plan updates priority areas were listed separately from the goals. In this FFY 2007 update the goals and priorities are considered synonymous.
